

DIRECTIONS:

KNS MICRO-HAIRCcoat SOLUTION is a concentrated product. Do not use undiluted. Always shake well before use. Mix 2 ounces of KNS MICRO-HAIRCcoat SOLUTION to 30 ounces of water to make one quart of complete spray solution.

After diluting the product with water put final product into a fogger bottle or spray bottle and apply evenly to entire animal, comb or brush solution into the hair, and let animal air dry.

- Do Not Use Undiluted
- For External Use Only
- Do Not Let Product Freeze
- Not For Human Use or Consumption

KNS cares: This container is recyclable.
